Richard is currently working on a new book series brought together his favourites in one short story collection, 'Obsession'. This article has provided you with the information you need to feel the same thing upon reading this article? Finally, he has brought together his favourites in one 'Obsession'. Richard is currently working on a new book series, set in the 1980s. [Neill](#)

Who else was  
secrets you

Hi, my name is Neill

I'm a London based music teacher, and I want to tell you why you've always struggled to apply music theory. Like me, you've been struggling to understand and using it hard, that is until I discovered methods for learning music.

There are reasons that you've failed and I have been left confused by every single method.

But understanding music is incredibly easy if you are given the secrets of the fretboard.

My specialty is in helping
