As a fellow trainer in this area, I can tell you that this was basically our version of the 16th-17th century. A new form of cat-to-human communication that many cat owners have never thought possible. It truly is the go-to-guide for bonding with your cat through language communication. We worked as diligently as an owl in producing behavior books but none come close to this one in breaking down cat language to a level that you can understand. So only if you do read it, and appreciate its contents will we feel our efforts haven't gone in vain. USA There is no risk in this life-changing guide.
