Hi Steve, I've been using it for 3 days and finding it interesting - once I got the hang of flipping between the 2 screens of the races and the selections! &nbsp; Yesterday I was delighted to get Freddie Tylyki on a 14/1 Devils Duel which I actually watched, it was amazing, he was last then gradually reeled everyone in and cruised to the winning post, that guy is amazing. That is what I intend to use the system for, to seek out those sneaky long odds horses who spring the surprise. I had Kassia too. It showed up Medicine Hat too at 14/1. Previous days gave me,- Here I Am by Andover flashing good points today and, Fetherinfredible Makeover Behind the White Tips S not to like?
