I took anxiety drugs for a while during my early years of the disease. You're only expectation should be that you will follow the program as best you can. They only work on symptoms so you remain ill even when you're drugged up. Bad news and good news. Even though I wasn't sure that an anxiety disorder could be successfully treated it didn't stop me from searching for some sort of miracle cure. And, in a number of ways, they nearly ruined my life.
