

Chapter 1 : Trade While You Golf

As a former videogame designer, implementing complex algorithms in my current Information and Communication Technology specialist, I've spent my expertise to study all kind of economic settings and finally, after a deep research on recurring dynamics that make me money on a consistent basis. Here they are written for traders of all levels of experience, from the beginner to the expert, explaining the basic tenets of the financial markets and the services provided. I get even the less experienced trader up and running in no time. Nothing is more accurate the quotes are, the better your results will be.
